MEDIA RELEASE: Auditor Van Tilburg encourages lowans to participate in National Voter Registration Month

Osceola County Auditor Van Tilburg joins Iowa Secretary of State Paul Pate in encouraging lowans to celebrate National Voter Registration Month in September by registering to vote. For lowans who are already registered, it's important to make sure your information is current. Tuesday, September 28 is National Voter Registration Day.

The National Association of Secretaries of State (NASS) established September as National Voter Registration Month in 2002 as a non-partisan means of encouraging voter participation and increasing awareness about state requirements and deadlines for voting.

"We have important city and school elections in communities across the state this fall, and they could make a big impact on your daily life," Secretary Pate said. "It's important for all eligible citizens to participate in the process. The best way to make sure your voice is heard is by registering to vote. It only takes a few minutes, and you can do it online, anytime.

To register to vote in Iowa, you must be at least 17 years old. The deadline to pre-register before November's city-school election is Monday, October 18. Approximately 90 percent of eligible lowans are registered to vote.
