

**Amended Resolution #24 – 21/22
Assessment of Drainage District**

WHEREAS, the Board of Supervisors of Osceola County, Iowa in session on the 4th day of March, 2022, do determine that an assessment should be levied on all the tracts of land, lots, railroad companies and public highways within the boundaries of Drainage District #9 & #43 in Osceola County to procure funds with which to pay the cost anticipated for the general upkeep and maintenance of the aforementioned districts; and

WHEREAS, the Board determined and finds that the reclassified assessment furnishes a fair and equitable basis for a proper apportionment of the costs and expenses of said assessment and the Board concurs that no good reason exists for a different assessment.
