Maximum dimensions and weight allowed on an annual oversize/overweight permit is: Length - 120'. Width - 15'-5", Height - 15'5", Weight - 156,000 pounds

Carrier will be responsible for routing and checking with the department for updates prior to move. Permit is not valid for travel on interstate highways.

Permits can be issued only for loads that are a single article that cannot be reasonably broken down to make it legal in size and weight.

Disclosure Statement: The information furnished on this application will be used by Osceola County to prepare and issue permits. All information applicable to a given permit is required and is public information. Failure to complete the application as required will result in denial of permit. Permit issuing authorities will not be responsible for any damages that are the result of the move. Osceola County, the permit issuing authority assumes no responsibility for the property of the permit holder.
