

Osceola County Sale of Equipment

Osceola County is selling a 2012 Ford F650 truck with a FASSI F45A.22 crane. The truck was previously used as a sign maintenance vehicle. The vehicle was classified as a total loss in the April 2023 shop fire but has been in continuous use by the county until its recent replacement. The County will accept sealed bids for the truck until February 29, 2:00PM at the County Engineer's office at 300 7th Street, Sibley, Iowa 51249 at which time the bids will be opened.

The following rules will apply to the auction:

The truck is being sold "as is" with no implied warranty

The vehicle was listed as a total loss by the insurer – a salvage title/rebuilt title process will apply

The County has placed a reserve on the bidding

The vehicle may be inspected during normal business hours at the Sibley maintenance shop, 1010 1st Avenue W, Sibley, Iowa 51249. Contact Cody Hurlburt at 712-754-2282 to schedule an inspection or test drive during the hours of 9:00 to 3:00 weekdays.

The winning bidder must remit full payment by March 1, 2024, 4:00PM to Osceola County Secondary Roads. In the case of personal/company check, Osceola County reserves the right to hold the vehicle and title until clearing of check.

Should the winning bidder not remit payment by March 1, 2024, 4:00PM, Osceola County reserves the right to approach subsequent bidders in order of bid to purchase the vehicle or to declare the auction forfeit and retain the vehicle.
