Corey Shearer, EMA/E911 Director, and Sande Smith, Ambulance Coordinator, reported that the installation of two additional cameras for the sheriff's evidence stall at the storage shed has reduced the current recording system's data retention capacity to four days. Quotes were received for two recording device capacities in the amounts of $6,829.86 and $8,244.84. An ICAP grant will provide $3,000.00 toward the new system. Schulte moves to approve the quote of $8,244.84 for the larger capacity recording system. Second by Vande Hoef. All voted aye. Motion carried. Additionally, Shearer advised that the Dahua cameras in the courthouse require replacement. The Board directed Shearer to obtain quotes for the replacement cameras and report back.

It was moved by DeBoer, second by Schulte to adjourn the meeting. All vote aye. Motion carried.
